# Sweepstake

**1** Choose the sweepstake you'll be running e.g. *who'll catch the bouquet, how long will the speeches be, or guess the weight of the baby?* Then fill out the boxes below with the choices of numbers or people.

**2** Ask friends, family and colleagues to take part for an optional donation – we suggest £2 - £5 per entry, and no donation is necessary to take part. You could also cut out the boxes and pull them out of a hat to randomly assign entries and write the name on to make sure you know who picked what.

**3** Whoever picks the winning person or number either receives a prize of your choosing or keeps half the prize money, with the rest being donated to Centrepoint.

You can pay in your fundraising here:
