

Decorate your tree... and our services

Your message could provide comfort and hope during this incredibly difficult time

Hang this bauble
on your tree

Send this bauble back with your donation,
and write a message to show your solidarity
with a homeless young person staying in a
Centrepont service this Christmas

Alternatively, write your bauble message at centrepont.org.uk/christmas

By returning your bauble, you consent to your message being shared publicly on our website and with the young people you help support.
