young people a future

Centrepont is the UK's leading charity for homeless young people.

Together with our partners across the UK, we helped support almost 14,000 young people in 2023/24.

In order to Gift Aid your donation, please complete your full name, home address, including postcode, and tick the Gift Aid box. Please read the Gift Aid declaration* below before ticking.

£10 could help a student buy university text books, giving them the chance they deserve to learn and to succeed

£15 could help pay for sessions with one of our skills Tutors and to help a young person learn how to live independently

£40 could help pay for an initial mental and physical health assessment, ensuring that a young person gets the support they urgently need

These gifts are real examples of items and services we provide. However, they are used here to represent the way your gift could be spent, and donations will be distributed across Centrepoint's work and used where needed to support homeless young people.
