

YOUR IMPACT

ENDING YOUTH HOMELESSNESS

Your fundraising will go a long way in helping Centrepoint end youth homelessness by 2037

£500

Could fund a **Centrepoint bursary** for **two young people**, paying for course fees, travel costs and equipment needed to access and engage in an education or training course

£1000

Could fund a **full course of counselling** for a homeless young person, ensuring those experiencing a mental health crisis receive vital support

£2000

Could cover the cost of running the **Centrepoint Helpline** for **one day**. This is often the first option for young people in crisis, needing advice on their housing situation and rights

£5000

Could pay for **essential starter packs** for **over 40 homeless young people** arriving at a Centrepoint hostel, ensuring they have fresh bedding, towels, toiletries, cooking equipment and clothing

£8000

Could help to **transform a kitchen**, and with a new boiler, offering young people bright, communal spaces where they can cook and socialise
