Using Gift Aid, Charities can claim back the basic rate of tax on your donation, making it worth even more. For every £1 you donate, Gift Aid allows us to receive 25p extra at no cost to you. In order to Gift Aid your donation, we will need you, the donor, to complete all the details below including your full address in your own handwriting. This includes your house number and postcode and is not a work address.

Please read the details and declaration below, and tick the Gift Aid box for Centrepoint to claim tax back on your donation. The details you provide will support our tax claim and not for marketing purposes.

***If I have ticked the box headed 'Gift Aid', I confirm that I am a UK Income or Capital Gains taxpayer. I have read this statement and want Centrepoint to treat all the donations I've made in the last four years and any donations I make in the future until I notify you otherwise, as Gift Aid donations. I understand that if I pay less Income Tax and/or Capital Gains Tax in any tax year than the amount of Gift Aid claimed on all my donations, it is my responsibility to pay any difference. I understand the charity will reclaim 25p of tax on every £1 that I have given.**
