

Sweepstake

- 1** Choose the sweepstake you want to run. It could be for a TV show, sports tournament, a wedding, or any popular event. Then fill out the boxes below with your sweepstake choices of answers e.g. numbers or names.
- 2** Ask friends, family and colleagues to take part for a voluntary donation – we recommend a £3 minimum donation per entry. You can claim Gift Aid on any of your voluntary donations as long as you qualify*
- 3** Alternatively, you could also cut out the boxes and pull them out of an envelope to randomly assign entries. Make sure you write the name on the guess when picked and repeated guesses are not permitted.
- 4** Whoever picks the winning guess (or closest if applicable), either receives a prize of your choosing and donates 100% to Centrepoint, or keeps a maximum of half the prize money with the rest being donated to Centrepoint. You must decide this before the sweepstake begins and inform the participants before they enter.

Extra things to consider – think about how you'll collect the money and pay it in, we'd recommend a JustGiving page. The donation price could be higher if you are limiting answers too. Also think about how you'll make it fair – if applicable make note of the answer and keep it safe until the end or think what you'll do if 2 people put forward the same answer. You cannot sell entry on the street or house to house.
