

Centrepont Complaints and Feedback

Centrepont values your complaints and welcomes all feedback.

Complaints - At Centrepont, we take all complaints very seriously.

As a registered charity and social housing provider for young people, we aim to resolve complaints quickly and fairly using the information raised in complaints and the feedback provided to us in order to continuously improve our services for the young people we work with and support.

Feedback - All Feedback received from our young people who use our services is reviewed regularly to see how we can better improve the services we offer.

We welcome new ideas as well as any suggestions young people may feel will benefit them to sustain a home and or a job for themselves as well other young people in the future.
