

# OUR TOP FIVE FUNDRAISING TIPS

**Be bold!** Ask everybody you can think of, family is a great place to start.

Remember to ask people to gift aid their donation, this means we get £1.25 for every pound they donate!

Tell your story, if you tell people why you're raising money and how their money will help.

Go the extra mile, organising a bake sale or a raffle is another way to encourage people to sponsor you.

Ask for help, ask family members to ask their friends or use their social media accounts to tell others about the challenge you are taking on.

**Follow these top tips to reach your target!**
