

YOUR IMPACT

Almost 120,000 young people were homeless or at risk of homelessness in 2024. Thanks to you, we're reaching more of these young people with our life changing support than ever before.

A young person faces homelessness in the UK every 4 minutes.

THANK YOU

Thank you for helping Centrepont transform the lives of homeless young people and support our mission to end youth homelessness by 2037.

During 2024/25 Centrepont supported over 15,000 young people alongside our partners across the UK. Here are some of the ways your kind support is impacting young lives.

- 1** The Centrepont Helpline supported over 5,100 young people during 2024/25.
- 2** 57% of young people accessing Centrepont's careers advisors secured an employment or education outcome.
- 3** 69% of young people who left Centrepont moved to an independent living situation.
- 4** Of young people supported through Centrepont's Pre-16 Prevention programme, we have seen a 60% reduction in those presenting at risk of homelessness.
